I will never be satisfied until my group gets the recognition it deserves.\*

I insist upon my group getting the respect that is due to it.

It really makes me angry when others criticize my group.\*

If my group had a major say in the world, the world would be a much better place.\*

I do not get upset when people do not notice the achievements of my group.

(reversely coded)

Not many people seem to fully understand the importance of my group.\*
